

Declaration of conformity to the REACH and RoHS directives

As of 01/2025

We hereby confirm that [company name] complies with all requirements of the REACH Regulation (EC No. 1907/2006) and RoHS Directive (2011/65/EU) and that all products that we manufacture or import are placed on the market in accordance with the requirements of these directives.

REACH Declaration of Conformity

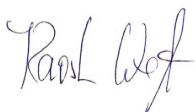

1. Our products do not contain any substances listed in Article 7(2) of the REACH Regulation in a concentration above the limit values.
2. We have registered or pre-registered all substances contained in our products in accordance with the requirements of the REACH Regulation.
3. 3. we ensure that all necessary information on the chemical substances in our products is passed on to our customers in accordance with the requirements of REACH.
4. 4. substances of very high concern (SVHC) according to Art. 33 of the REACH Regulation
 - To the best of our knowledge, our products do not contain any of the "substances of very high concern" on the candidate list of the European Chemicals Agency (ECHA) (<http://echa.europa.eu/de/candidate-list-table>).
 - We comply with the obligation under Article 33 of the REACH Regulation and inform our customers immediately if, according to new knowledge, our products contain "substances of very high concern" above the limit value of 0.1%.

RoHS Declaration of Conformity

1. 1. our products comply with the restrictions set out in Annex II of the RoHS Directive and do not contain any of the hazardous substances listed therein above the permissible limits.
2. 2. we carry out regular spot checks to ensure compliance with the RoHS Directive.
3. 3. we ensure that all of our suppliers submit the RoHS declaration of conformity and provide the required documentation.

We ensure that WEISS ROBOTICS manufactures or imports all products in accordance with the REACH and RoHS directives and complies with these directives in all our business processes. We are aware of our responsibility towards the environment and the health of our customers and are continuously working to minimize the environmental impact of our products.

WEISS ROBOTICS GmbH & Co. KG
